

Byng Alumni Reunion

April 28, 2008

RE: Byng Alumni Banquet

Dear Byng Graduate,

The **alumni banquet** is scheduled this year for Saturday, **June 21**, at **6:30 pm**, at the Byng cafeteria. This year is our third year to schedule the reunion for the summer, and it has been a great success. Since the members in attendance liked the weather and time, we feel this change has worked out well.

As you are aware, a fire destroyed one of our buildings on the front of the main campus. The classrooms that were in that building are currently being built on the east side of the junior high building. The debris from the fire has been cleared away, and a large parking lot has been added in that area. Parking now extends south from the high school all the way to the Teague gym. A tour of the new facilities is planned for 10:30 a.m., the morning of June 21. You will also have an opportunity to meet our new superintendent, Todd Crabtree. If you attended the Brick Ceremony last year, you met him; he gave the tour at that time, too.

The Alumni Committee hopes that this date will enable you to come to fellowship with others in your class and to celebrate the 50th year with the class of 1958. We will be glad to help other classes with their reunion, too.

Please take this time to send in or call us your reservation (\$15 each) and help us have a good attendance. Alumni meetings are a time for making and reliving memories. Let's do it together.
